

Capturing Courageous Advocacy

Class	Year 2
Activity	Promote the use of refillable water bottles.
Date	Wb 3/11/25
Project Beginnings & Intent	To reduce the amount of plastic waste which ends up in the oceans around the world. Links to RE topic How to care for our world and why does it matter.
Values	Respect

AU1 RE topic – How to care for our world and why does it matter. Children took an interest in the damage that single use plastic is causing to our seas, oceans and sea creatures, they were passionate about doing our part to reduce plastic pollution.

Children are to create posters to display around the school, write a class message on dojo and create a presentation to say in Collective Worship informing the rest of the school about the negative impact single use plastic is having on our planet.

Impact – Year 2 will persuade the children (and adults) at Thomas Whitehead to use reusable water bottles.
