Dear Parents/Guardians,

It is that time of year when we are preparing yet again for our Harvest Festival.

Our Service will take place on Thursday of next week, 20th October. Unfortunately, as this is for the whole school, we are unable to invite adults on this occasion. However, just so you know, there are a number of Christmas Performances planned for the end of term to which you will all have the opportunity to attend.

I know that things are very difficult for us all at the present time and I was overwhelmed by your generosity last year. Therefore, if you are able to donate tinned or packets of food or indeed perishable goods, we would be most grateful.

Tinned or packets of food may be brought in from now and handed to your child's teacher.

If you would like to send in fruit, vegetables or other perishable goods, can I please ask that these are not brought in until the day itself. (Thursday 20/10/22.) We will be donating all produce we receive to our Local Food Bank. They were so appreciative of your help last year and I hope we can do something to help our own community once again.

Many thanks as always for your continued support.

Best regards,

Mrs. L. Byrne
