Re: Houghton Regis Carnival on Saturday 9th July 2022

Dear Parents and Carers of a child in Year 3, 4, 5 or 6

Your son/daughter has shown a commitment to participating in the Houghton Regis Carnival on **Saturday 9th July 2022**.

Please be advised that the Procession will involve quite a long walk. It is likely that we can use the toilets on site at Houghton Regis Academy, but there will be no more available, until after the procession on the Green. It is also likely to be very warm (hopefully not wet!), so please bear this in mind, before making a final commitment.

Timings and our meeting point will be confirmed, as soon as I have that information. The children will sing at approximately 12.45pm – there is a stage! After their performance, they are free to go home or spend time at the carnival. We will release your child to the named adult on the reply slip, at a time to be confirmed.

Please complete the enclosed reply slip by **Monday 20th June**, at the very latest, so that we can complete the relevant paperwork, to submit to the council, by their deadline.

As parents of children participating, you are very welcome to walk with us – the more the merrier!

Many thanks for your continued support.

Kind regards

Mrs L Byrne
