

Topic – Big Wide World

This project teaches children about the global community to which they belong and how communities differ around the world.

We will explore different animal habitats around the world.

We will be learning about journeys, maps and where we live on planet Earth.

Enhanced Learning Opportunities

- **Homework Task** – Use Google Earth to explore where you live and look up places you would like to visit.
- Talk about places around the world you have visited, or places that family members or friends live. Look at the places on a map and talk about ways to travel.

PSHE – Relationships

We will be discussing how to make friends and what to do if we feel upset or hurt. We will learn the impact of when we may use unkind words and how to control our feelings.

PE – Ball Skills

Striking, net and wall games

PE is on a Friday morning.

RE

Why is the word God so important to Christians?

Big Questions:

What does the word God mean?

Which people believe in God?

What is amazing about the world?

Phonics- Little Wandle

Phase 3

Review Phase 3

Review all phonemes taught so far

- words with double letters, longer words, words with two or more digraphs, words ending in -ing, compound words
- words with s /z/ in the middle
- words with -s /s/ /z/ at the end
- words with -es /z/ at the end

Talk4Writing – Jack and the Beanstalk

This is a “Beat the Baddy” story.

We will focus on drawing and writing story maps using our phonic knowledge.

Reception Year Summer 1

Enrichment –

Eggs for hatching

Computing

Purple Mash

To use the purple mash programme to support learning across the EYFS curriculum.

Maths

Finding the Whole and Missing Parts

Have a solid understanding of numbers to 10; recall number bonds to 5 and some to 10.

Ten and Some More

Begin to count confidently beyond 10, recognising patterns in the counting system.

Doubling and Halving

Explore and represent patterns with numbers up to 10 including doubling and halving.
